REPORT of HEALTH OFFICER

To the Selectmen of the Town of Clinton,

Gentlemen:

The local health conditions of the town for the past year are presented for your consideration.

The first part of March a number of cases of scarlet fever occurred in children of the primary department of the school. The source of infection was obscure.

The children were carefully watched and examined for the next two weeks, new cases developing through this period.

It became apparent to your Health Officer that the time had come to close the school for at least two weeks with advise to the parents to keep their children away from gatherings and at home.

The parents co-operated splendidly and the epidemic ceased.

It is suggested that parents at all times keep their children home from school when not feeling up to par until their condition becomes normal and thus avoid the starting of an epidemic.

Free vaccination against small pox was offered the children in June. Fifty-five were successfully vaccinated.

Our school has been kept in very good condition.

DAVID A. FOX, Health Officer.

CHARLES A. PELTON, Collector

REPORT of HEALTH OFFICER

To the Selectmen of the Town of Clinton,

Gentlemen :

The following statement is presented for your consideration :

During the epidemic of small pox the early part of the year about the state, free vaccination was offered to the school children. No case of small pox occurred in Clinton although we had contacts resulting from a case which appeared on the streets of the town.

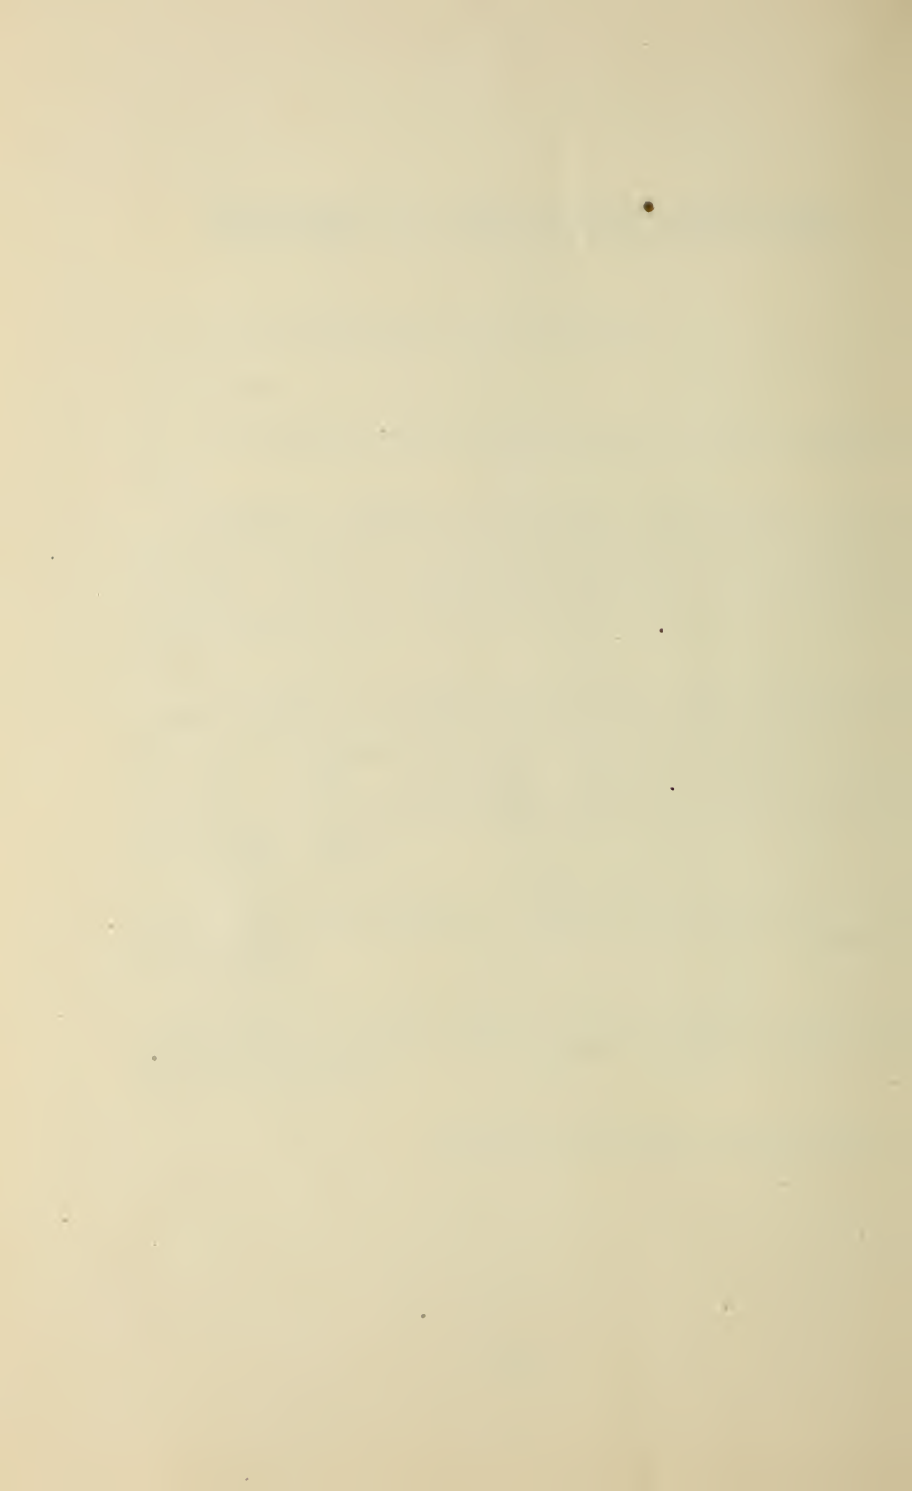

The pupils of the school were offered free inoculations against diphtheria and one hundred and twenty-five scholars were given toxin-anti-toxin in three divided doses at one week intervals. These inoculations are a prevention against diphtheria and represents a splendid start in our school against this dreaded disease.

Much time was devoted to this work by your principal and nurse and by their helpful tact and skill the children responded splendidly.

The school has been kept in excellent condition and the welfare of the pupil has been zealously guarded by your able and tactful principal.

REPORT of HEALTH OFFICER

To the Selectmen of the Town of Clinton,
Gentlemen :

The following is a brief statement of the health activities in the Town for the past year.

Free inoculations against diphtheria, with diphtheria toxin-antitoxin mixture was offered the children, as a result of which ninety per cent of the children are immune to diphtheria.

The town should be very grateful to their School Committee for providing this immunization against diphtheria.

The schools have been kept in excellent condition, the welfare of the pupils zealously guarded by your able and tactful principal.

The restaurants and public buildings of the town have been inspected and found satisfactory.

Milk from the several dairies has been tested frequently and found excellent.

DAVID A. FOX,
Health Officer.

Be it resolved that the town of Clinton declares its intention to build or improve a section or sections of road or to build or improve a bridge or bridges under the provisions of Chapter 263, Public Acts of 1925 (Section 6 and 7) and Chapter 120, Public Acts of 1927 (Section 7), and the sum of \$1,875.00, or so much thereof as may be required to pay the amount of the pro rate share of said town of the cost of such construction or improvement under the provisions of the appropriation allotted to the Highway Commissioner, is appropriated for such purpose, and the town treasurer is authorized and directed to pay said amount to the State at the times and in the manner provided by law.

RESOLVED that the Selectmen are authorized and directed to make application to the Highway Commissioner, in the manner provided by law for an allotment of \$7,500.00 for the construction or improvement of roads or bridges in this town under said laws and appropriation.

VOTED: That the Town of Clinton appropriate the sum of \$1,000.00 to the Clinton Public Health Nursing Association for their use in defraying expenses of a visiting Nurse for our Town.

The following resolution was duly moved, seconded and passed.

An act restricting the sale of fireworks in the Town of Clinton.

1. Definition for the purposes of this act the word "fireworks" shall include all articles commonly used on the 4th of July to produce noise or illumination, and containing explosive material.

2. No person shall expose for sale a stock of fireworks prior to the second day of July in any year, and then only on permit.

3. No stock of fireworks shall be exposed for sale outside of a building unless it be at a point at least 200 feet from any highway or any inflammable material or buildings.

4. No stock of fireworks shall be exposed for sale in any building or part of a building used as a theater.

5. The penalty for the violation of each and any of the above sections shall be twenty-five dollars.

The following communication to the Selectmen of the Town of Clinton was read, and it was duly voted to refer the same to the Selectmen for attention.

The communication was as follows:

At a regular meeting of the Clinton Beach Improvement Association the following Resolution was adopted:

"Whereas, in our opinion, we are satisfied that due to the growth and development of the Beach section it is absolutely

essential for the welfare of its residents and visitors that some form of police protection be provided during the months of July and August and up to Labor Day.

Such protection is especially necessary on Saturdays, Sundays and Holidays as traffic, and in particular the parking of automobiles, is now extremely hazardous, "therefore be it:

"Resolved, that we petition the Honorable Selectmen that they grant us the necessary protection and relief for the benefit of taxpayers, or property and for the general good of summer visitors." (For Saturdays, Sundays and Holidays.)

The foregoing is certified to be a true copy of resolution unanimously adopted and recorded in the minutes. I would respectfully request your favorable consideration and reply to this petition.

Respectfully presented,

CLINTON BEACH IMPROVEMENT ASSO.

Margaret C. Smith, *Secretary*.

Frank I. Hall, *President*.

VOTED: Whereas—The bathing beaches within the limits of the town are rapidly being bought up and occupied, and as this property increases in value it becomes more restricted; and

Whereas: Under present conditions our townspeople are being deprived of the advantages of our town's favorable location on the waterfront; therefore be it

RESOLVED: That the Selectmen be instructed to investigate what waterfront land, suitable for bathing purposes, is available and to consider the advisability of purchasing such land for the benefit of the taxpayers of the town. The Selectmen shall report the result of their investigation at the adjourned annual town meeting.

VOTED: Whereas—The Board of Assessors have for the purpose of taxation, revalued all property within the town; and

WHEREAS: The important features of valuations for taxation being equally and comparative values, the Board of Assessors did deem it advisable to publish the result of their work; and

WHEREAS: Any changes made by the Board of Relief would render such published list void for the purposes of comparison; therefore be it

RESOLVED: That the Board of Relief be instructed and authorized to publish, prior to the March adjourned annual town meeting, any changes made by them on the Assessors' published grand list.

VOTED: That the tax on out-of-town vendors, voted at town meeting several years ago, be renewed and continued in force until rescinded.

VOTED: That the Selectmen lay a concrete side walk on the West Side of Maple Ave.

VOTED: That the Selectmen be requested to give careful consideration to the condition of the highways and sidewalks on Central Avenue and Hull streets, and to make such improvements therein as may to them seem necessary in view of the increased use incidental to the new factory of the Pond's Extract Co.

VOTED: That this Annual Town Meeting adjourn to the first Monday of March 1930, at eight o'clock P. M.

SPECIAL TOWN MEETING NOVEMBER 12, 1929

VOTED: That a committee of five be appointed to meet and consult with the Selectmen and the Chief of the Clinton Volunteer Fire Company, as to the best policy to be pursued in reference to the procuring of a suitable site and building for the Fire Company apparatus.

Upon motion it was voted that a committee be composed of the following persons: R. Bruce Lively, David A. Fox, Edward C. Burnham, S. Burdette Reed, and Lucius K. Stevens.

SPECIAL TOWN MEETING NOVEMBER 26, 1929

VOTED: That the Selectmen be authorized to acquire suitable land for the erection of fire house to cost not in excess of \$2,500.00, and to erect a fire house on said land at a cost not to exceed \$10,000.00.

ADJOURNED TOWN MEETING, MARCH 3, 1930.

VOTED: That a tax of twelve mills on the dollar be and the same is hereby directed to be laid on the grand list last made and completed, to pay the ordinary expenses of the town, one half of said tax to be due on the 5th day of April 1930, and the remaining half to be due on the 5th day of July 1930.

VOTED: That Daylight Saving Time be observed in this town (as far as may by law be permitted) during the usual season therefor.

REPORT OF HEALTH OFFICER

Gentlemen of the Board of Selectmen, Clinton, Conn.

The following is a brief statement of the health condition of the town for the past year.

No epidemic has visited the community this year and the town has been free from communicable diseases.

The school children have been inoculated against Diphtheria and Small Pox at the town's expense.

The school board are to be congratulated for taking this advanced step against Diphtheria and the work should continue each year to keep abreast of the new pupils arriving at school age.

Our district nurse has been a great help to us at the school and she has accomplished a great deal of good in helping the children to live clean and wholesome lives.

DAVID A. FOX,

Health Officer.

REPORT OF HEALTH OFFICER

To the Selectmen of Clinton
Gentlemen:

As health officer of your town, the law requires that a report be presented you each year concerning the health conditions as found existing during that period.

The town has been free from all communicable diseases with few exceptions.

Inoculations against Diphtheria have continued at the school and with the assistance of your principal and nurse about ninety-five percent of the children have been immunized against this dreaded disease.

It has appeared to me for some time that the careless throwing of waste paper on our streets might be curtailed if each citizen of our town took it upon himself to work against this evil. Loose papers blow about our streets raising dust and are a detriment to health, as well as being most unsightly. Let us correct this condition. Our greatest asset toward increasing our summer colony will be along lines of cleanliness, let each one do his part.

DAVID A. FOX, M. D.
Health Officer.

Whereas the Board of Education has received from the Board of Trustees of Morgan School a certain letter, of which the following is a copy:—

Morgan School, Clinton, Conn., Oct. 4, 1931.
Clinton Town Board of Education,
Clinton, Conn.
Gentlemen:—

At a meeting of the Board of Trustees of the Morgan School held this date, the following vote was unanimously passed:—

VOTED:—That the Trustees grant to the Clinton Town Board of Education the use of the property adjoining Morgan School on the West and known as the principal's residence, extending from East Main Street to the railroad, for the construction and operation of a grammar school. It is understood that the above mentioned grant shall be in effect so long as the school shall be used for educational purposes.

Very truly yours,

JAMES M. WELLMAN, Secretary.

and WHEREAS the Board of Education, at a meeting held October 5, 1931, has unanimously accepted said offer, therefore it is

VOTED:—Said acceptance by the Board of Education is hereby ratified by the Town.

VOTED:—That further votes relating to school matters be laid on the table until the next town meeting.

REPORT OF HEALTH OFFICER

To the Selectmen of Clinton
Gentlemen:

As health officer of your town, the law requires a statement concerning the health condition for the past year.

This community has been free from any communicable diseases in epidemic form.

Inoculations against Diphtheria and vaccination against small pox have continued at the school, so that from now on it will only be necessary to care for the new pupils attending school each year.

Wish to suggest that some study and thought be given to our dock at the end of Commerce street, toward cleaning up certain nuisances and installing a public toilet with a caretaker, for the hundreds of people who each summer visit and use the dock. Much could be done to make this one of the pleasant spots of Clinton.

DAVID A. FOX, M. D.,
Health Officer.

REPORT OF HEALTH OFFICER

To The Board of Selectmen, Clinton, Conn.:

The community is to be congratulated on the few cases of communicable diseases during the last year. This is due, I believe to the good work of our Nurses Association and the cooperation of the parents and townspeople.

Vaccination against small pox and inoculation against diphtheria have been completed in the school, leaving only new pupils to receive the necessary attention.

Our new school is practically the last word in structures of its kind, with many years to come before new ideas make it necessary to change the sanitary principle.

Nuisances reported to me have been few, and when investigated, I have found willing cooperation in having them remedied.

Owing to a few complaints, may I suggest to those who use an outdoor incinerator that they first note the direction of the wind and relieve their neighbors of the unpleasant smoke and odor, remembering that "an ill wind blows nobody good."

As health officer, I invite the earnest cooperation of all those interested in a clean and healthy Clinton.

Graham O. Wellman, M. D.

Report of Clinton Public Health Nursing Association

A brief account of the Clinton Public Health Nursing Association is hereby submitted to the public of this community. The association wishes to express its thanks for the many and varied generousities enabling it to accomplish the work reported here:—

1,583 Calls were made during the year.

560 Free nursing calls were made.

4 Children's eyes tested and glasses fitted.

4 Hospital bills were paid for operations.

5 Deliveries attended free of charge.

Several patients have been taken to the New Haven Dispensary through the cooperation of our association.

Seeds and fertilizer were furnished free of charge to a number of our people which enabled them to have gardens, supplying not only vegetables for their summer needs, but a surplus for canning, and to date 300 quarts have been preserved.

This cooperation has been greatly appreciated not only by the people benefitted, but by the association, the Board of Selectmen and the public in general.

CLINTON PUBLIC HEALTH NURSING ASSN.
